Walker Memorial Committee Makes Suggestions for the New Institute.

The last meeting of the Institute Committee was held yesterday afternoon. Vice-President Scudder presided. Reports were received from the Finance, Point System, and Walker Memorial Committees. The latter presented a tentative program of space allotments for the various activities. It was suggested that the Walker Memorial Building and the dining room be separated, but connected by an enclosed passageway. Recommendation was made that the athletic field at the new site be placed so that the ground can be used for buildings if the future growth of the Institute makes this necessary. This report was approved by the Institute Committee.

The election of C. Roger Lord as General Manager of Tech Show 1915 was ratified. The following temporary officers of next year's Institute Committee were chosen: President, Frank P. Scully; Executive Committees, O. R. Urquhart and T. A. Spear; Guernsey A. Palmer, former President of THE TECH, was elected Temporary Adviser of this publication.

TENNIS CHAMPIONSHIP

Trinity Wins Doubles and Amherst Wins Singles.

Trinity won the New England collegiate tennis doubles championship yesterday at the Longwood Cricket Club. Edsall and Burgwin of Trinity won from Richards and Howell of Wesleyan by 8-6, 4-6, 6-4, 6-3. Trinity won from Richards and Row in the high jump and Stewart and Tash in the high jump stand a fair show of making good. Lawson in the pole vault and Leslie in the shot put are the strongest from Wesleyan. Although Donnelly is showing upset calculations. The Institute finish is extremely doubtful. The Institute should qualify in the following:

- Men's singles: 
  - 1st and 4th in the 100,
  - 2nd in broad jump and Sullivan in the 220.

- Men's doubles: 
  - 1st and 4th in the 100,
  - 2nd in broad jump and Sullivan in the 220.

- Women's singles: 
  - 1st and 4th in the 100,
  - 2nd and 4th in the 220.

- Women's doubles: 
  - 1st and 4th in the 100,
  - 2nd in broad jump and Sullivan in the 220.

The Freshman-Sophomore game will be played Saturday on Tech Field.

THE TECH

VOL. XXXIV. NO. 37. BOSTON, MASS., FRIDAY, MAY 22, 1914. PRICE TWO CENTS

BASEBALL NOTICE

The Freshman-Sophomore game which was scheduled to be played yesterday afternoon was postponed by the Freshman team and will be played Saturday afternoon at Tech Field.

The Army-Navy football game will be played January 30th. O. C. this year on Saturday, Nov. 28.

Preliminary New England Trials

Technology Expects To Qualify

Large Number In Events.

The preliminaries in the New England trials will be held at the stadium this afternoon. Trials in the 100, 108, 440 dashes and the 880 yard run will also be run off. Preliminaries in the high and low hurdles will also be run off and the weather will affect the weight men will be begun. Technology will enter four men in nearly all the events and Captain Goethking and the Tech can hope to have a large number qualify for the finals. O'Hara, Williams, Louis and Wilson ought to qualify for the semifinals on Saturday. In the quarter Capt. Goethking and Penrose are expected to come through without much difficulty. C. F. Goethking is about the only man in the half that is expected to do much in the hurdles. Although Penrose is showing up well. Huff ought to qualify in the hurdles with a possibility of Sewell or Foster in addition, Fox and Reed in the broad jump and Stewart and Tash in the high jump stand a fair show of making good. Lawson in the pole vault and Leslie in the shot put are the strongest from Wesleyan. Although Donnelly is showing upset calculations. The Institute finish is extremely doubtful. The Institute should qualify in the following:

- Men's singles: 
  - 1st and 4th in the 100,
  - 2nd in broad jump and Sullivan in the 220.

- Men's doubles: 
  - 1st and 4th in the 100,
  - 2nd in broad jump and Sullivan in the 220.

- Women's singles: 
  - 1st and 4th in the 100,
  - 2nd and 4th in the 220.

- Women's doubles: 
  - 1st and 4th in the 100,
  - 2nd in broad jump and Sullivan in the 220.

MINING SOCIETY

The Mining Engineering Society held a special meeting on Wednesday morning at eleven o'clock for the purpose of electing next year's officers. The results of the election were as follows: president, S. L. Wilte; vice-president and treasurer, J. R. Madewell; secretary, K. M. Sulky; executive committee, P. B. Small and S. M. Baxter.

COACH KANALY SPEAKS

At the cross-country meeting held yesterday afternoon in Engineering Coe was asked to outline the prospects of the team for the big intercollegiates next fall and spoke of the good prospects. The outcome of the meet on Saturday is extremely doubtful. The Institute should qualify for the semi-finals on Saturday afternoon at Tech. The preliminaries in the New England trials will be held at the stadium this afternoon. Trials in the 100, 108, 440 dashes and the 880 yard run will also be run off. Preliminaries in the high and low hurdles will also be run off and the weather will affect the weight men will be begun. Technology will enter four men in nearly all the events and Captain Goethking and the Tech can hope to have a large number qualify for the finals. O'Hara, Williams, Louis and Wilson ought to qualify for the semifinals on Saturday. In the quarter Capt. Goethking and Penrose are expected to come through without much difficulty. C. F. Goethking is about the only man in the half that is expected to do much in the hurdles. Although Penrose is showing up well. Huff ought to qualify in the hurdles with a possibility of Sewell or Foster in addition, Fox and Reed in the broad jump and Stewart and Tash in the high jump stand a fair show of making good. Lawson in the pole vault and Leslie in the shot put are the strongest from Wesleyan. Although Donnelly is showing upset calculations. The Institute finish is extremely doubtful. The Institute should qualify in the following:

- Men's singles: 
  - 1st and 4th in the 100,
  - 2nd in broad jump and Sullivan in the 220.

- Men's doubles: 
  - 1st and 4th in the 100,
  - 2nd in broad jump and Sullivan in the 220.

- Women's singles: 
  - 1st and 4th in the 100,
  - 2nd and 4th in the 220.

- Women's doubles: 
  - 1st and 4th in the 100,
  - 2nd in broad jump and Sullivan in the 220.

The honorary degree of LL. D. was conferred on President Macalurin at the commencement exercises at Dartington University, Ohio. Five other college presidents were also recipients of the degree. The occasion was the inauguration of Clark Wills Chamberlain, formerly president of Vassar, who is the new president of Denison. The other five, on whom the honorary degrees were conferred are: Ernest F. Nichols, of Dartmouth; John W. Woolsey, of Cornell; William II. P. Paue, of Brown; Nicholas M. Butler, of Columbia, and Robert S. Woodward, of the Carnegie Institution, Washington.

CANDIDATES FOR MONTHLY MEET--1.30 TO-DAY.

MONTHLY CANDIDATES TO MEET THIS NOON

Editors To Outline Plans For Business and Editorial Departments.

As the nature of the Monthly is such that it is possible to work during the summer months, the Editors have called a meeting to be held at 1:30 in the Technological Monthly office under the stairs in the Union.

The Editors will discuss the nature of short stories that are acceptable to the publication, plans for the coming year and give suggestions that may be helpful to would-be contributors. There are at present but two or three candidates for the position of Editors-in-Chief next year and few unsolicited contributions have been handed in.

The Monthly's forms for the November issue will close on the Eve of September, which gives plenty of time for those who may have some spare moments during the summer months.

There are several other openings on the Monthly Board, notably those of Art, Advertising, and Circulation managers. Candidates for these positions are also asked to attend the meeting where they may meet the men in charge of the respective departments. These positions are to be filled by a competition which will last throughout the summer until the twenty-first of September.

The Editors ask for a full attendance so that they may have some means of estimating the contributors and candidates for the coming year. Those who cannot attend the meeting may call at the Cafe stating the branch in which they are interested and the Editors will communicate with them in the near future.

MILITARY CAMP

All those who are interested in the Camps of Military Instruction to be held this summer, are invited to be present at a meeting to be held at 26 Rogers, today at 1:00 o'clock. Students of the camp at Burlington, Vermont, who desire to take summer courses at the University of Vermont may do so. Arrangements can probably be made to have such work credited on the Institute record. Full information may be obtained at the meeting.

CALENDAR
