The following men have reported to the coach: Wallace, Read, Smyth, Munford, Clark, Irish, Avery, Boyd, Binney, J. A. Clark, Coward, Johnson, Lorenz, McClure, Obert, Hamilton, Justus, Halsey, and Haskell.

COMMITTEE APPROVES FACULTY CHANGES

Executive Committee Of Corporation Passes On Faculty Appointments.

At its last meeting the Executive Committee of the Corporation passed upon the following appointments and recommendations in its capacity of senior professor of the department of Architecture. He declared that for a time after the war there would undoubtedly be a period of depression but that following this architecture would receive a distinct impetus. He predicted that the present students of architecture would have a "greater opportunity than either my generation or the one before it ever had.

Speaking of the number of changes which have been made in the curriculum of the course Professor Cram stated that the traditions of the Architectural Department would be strictly adhered to.

Of the changes in the course the following are the most notable:

The courses in Architectural History and European Civilization and Art have been combined. Mr. Cram said that he considered this a great step in advance. The design work has been changed in many ways.

Ralph Adams Cram Makes First Address

Many Changes In The Department To Mark Initial Event And Design.

"We are watching now a destruction of monuments and landmarks unparalleled in history," declared Professor Ralph Adams Cram in his first address to the students of Course IV in his capacity of senior professor of the department of Architecture. He declared that for a time after the war there would undoubtedly be a period of depression but that following this architecture would receive a distinct impetus. He predicted that the present students of architecture would have a "greater opportunity than either my generation or the one before it ever had.

SOPHOMORE RELAY

The Sophomore relay team will practice this afternoon, beginning somewhat earlier than last year. Most of the work so far has been in the form of starts and short jogs, so that as yet, nothing can be said as to the team's prospects for Field Day.

The following men have reported for practice: Atkinson, Cady, W. A. Clark, Day, C. M. Dean, H. R. Donegan, Doon, Gardner, Haviland, Swan, Hubbard, Quillot, Sewall and Smith.

FINANCE COMMITTEE

There will be a meeting of the Finance Committee in Room A of the Union tomorrow afternoon at half past seven.

1917 TUG OF WAR

Beginning this afternoon at 4 o'clock the Sophomore tug of War Team will practice every afternoon at the Gym. The management considers it most essential that all men who expect to make the team should come out regularly every day in order to be in the best of condition for Field Day.

ELECTRICALS BEGIN YEAR NEXT TUESDAY

Reception And Good Speaking To Mark Initial Event Of Year.

The first meeting of the Electrical Engineering Society will be held next Tuesday evening, October 13, at eight o'clock in the Union.

Through the cooperation of the faculty, the opportunity of hearing some excellent speakers will be afforded. Professors Jackson and Wodden have consented to speak, and also Dr. Kessely of Harvard.

An outline of the prospective trips will be given and some of the members of the Society will tell of unusual experiences of the last summer. Following the business meeting a reception will be held and refreshments will be served during the course of the evening.
