LECTURE ON PERSONAL HYGIENE TO BE GIVEN
THURSDAY NIGHT

Dr. J. A. Rockwell Talks To The Opportunity To Inspect Plant
Freshmen On Thursday
At 4 O'clock

Dr. J. Arnold Rockwell, the
instructor in hygiene, will deliver the
first of a series of talks this
month at the Boston Y. M. C. A.
third of a series of talks on personal
hygiene, tomorrow evening at 4 o'clock in
Huntington Hall. These annual lectures are intended primarily
for the benefit of the freshmen and it is required by
the Massachusetts State Association in the world.

At that time there will be open for inspection a gymnastic and athletic exhibition, moving picture entertain-
ment, Microscope exhibit, educational
suites in operation, orchestral
concert, boys' work, dormitories,
game room, squash and hand ball
courts, bowling alleys, restaurant,
recreations work, law and general library.

There are many Tech men rooming
in the building and many more who make use of and enjoy the privileges
offered. The talk is probably one of
the greatest attractions, while the
orama rooms and gymnasium privi-
tages are nearly as strong a drawing
card. To the Y. M. C. A. extends
to every Tech man a personal invita-
tion to be present.

Gordon McKay Professor of Metallurgy; Albert Stuiver, Professor of Metallurgy and Metallurgy; George
Sharpe Bayner, Assistant Professor
of Mineralogy; Gordon McKay Professor of Metallurgy; Louis Caryll Graton, Professor
of Mining Geology.

In Mechanical Engineering Depart-
ment of the Institute are nearly as strong a drawing
force as in the Engineering Drawing
theory to the required course in Civil Engineering Department—
George Fillmore Swain, Gordon McKay, Professor of Civil Engineering;
Lewis Jerome Johnson, and Hector
James Hughes, Professor of Civil En-

ALLIANCE INSTRUCTORS

In accordance with the agreements glee club—George Chandler Whipple, for cooperation between Technology Gordon McKay, Professor of Sand-
and Harvard, fifteen of the Harvard-Massachusetts Engineers are to be added to the Department of Electrical Engineering.

Instructors are the best known names in the field of Electrical Engineering—Harry
Lewis; Mining Department—Henry Lloyd, Professor of Electrical Engineering;
Smith, Professor of Mining; and Civil Avery Adams, Professor of Metal-
Harvard; Edward Dyer Peters, Electrical Engineering.

A "sheepskin" don't always
show the brains a man's got, but his brains may
show the value of his
sheepskin." Advertising
in alone can't make
quality an' popularity,
but VELVET's quality
does give us somethin' to advertise.

VELVET, The Smoothest Smoking Tobacco, is Kent-
cucky's Bunker de Luxe with that aged-in-the-wood mellow-
towness. 10c tins and 5¢ metal-lined bags.
