SOPHOMORE FOOTBALL

Scrimmage With Hyde Park--

Game at Somerville Wed.

Friday afternoon the Sophomore football team scrimmaged with the Hyde Park High School eleven at Hyde Park, and completely outclassed them. On the offense the 1917 men made average gains of ten yards, and coming out of consideration six eighty-yard runs for touchdowns, of which were made by Potecat. Both Simpson and Potecat handled forward passes admirably, and Farnsworth gained consistently with his dodging runs.

The defence solved completely all the complicated brick wall tried by Hyde Park, in many cases throwing the runners for a loss. The work of Powers, Dexter, Welborne and Simpson was particularly prominent. The team-play in general was much better than in the Western game.

Wednesday afternoon the team will play Somerville High. The squad is to meet in front of Rogers at 3 o'clock.

GYM TEAM PRACTICE

All Tech men interested in gymnasium work, as well as all those on the squad, should report at 5 o'clock at the gymnasium today for uniform practice. Men are needed in almost every event, especially the side-horse, club swinging and tumbling.

work, forty is generally conceded to be a good average score, and this high average makes the prospects for a strong team in the spring very encouraging, and assures keen competition for places.

The high scores at 200 yards were Haddock, 45; Mills, 45; Boynton, 43; Montgomery, 43; Bickford, 43; and Johnson, 43.

The large number of men out this year and the scarcity of available ranges has made it necessary to limit the membership to those already in, but a waiting list is being formed, and new men will be taken in as rapidly as possible.

Princeton opened her new Stadium in fine shape by trouncing Dartmouth 16-12.

Michigan, Dartmouth, Yale, Carlisle and Tufts lost Saturday.
