WRESTLERS TO CHOOSE ASSISTANT MANAGER

Manager Mover, of the Wrestling Team, has issued a call for candidates for the position of Assistant Manager to the team. The competition, which is open only to Sophomores and Juniors, will continue until spring. The successful candidate will be the first choice for manager of the varsity team during the following year. This is a very important position and carrying with it the right to wear the Institute insignia.

The duties of the Assistant Manager will be to work with Manager Morse and aid him with his work. He will also draft the fresh man guide, list their work and arrange their notice meetings. Manager Morse will meet all interested and explain further details in the Gym at 4:30 on Monday, Tuesday, or Friday.

The Wrestling Team is to be found hard at work every afternoon in the Gym. Nine of last year's varsity men are eligible to vote.

FRESHMAN BANNER FOR BEST CHEER

Preparations for the freshman parade and cheering on Field Day are rapidly coming to a head. A mass meeting of the entire class will be held next Wednesday noon, at 1:00 in Huntington Hall, where plans will be announced and the class cheers rehearsed. The Tech songs are printed in this issue of The Tech, and will be reprinted on Friday.

Each freshman is expected to get a copy of the song, cut out the songs and learn them. A distinctive class cheer is desired and in order to obtain the best possible, the temporary officers have decided to offer a large 1918 banner to the man turning in the best cheer.

At present the plans for Field Day include a parade to the Field, starting at the Boston end of Harvard (Continued on Page Three)
