SOPHOMORES SCRIMMAGE WITH SOMERVILLE

Both Teams Put Up Hard Fight — Sophomores Have Upper Hand.

The 1917 football team played a short scrimmage with the Somerville High School eleven, Wednesday afternoon, during which the Sophomores played a very erratic game. The play at times, however, was very good, but the tackling was poor. Every man realizes that the Freshman game is the only one that counts and all the squad is determined to win at any cost.

The score of Wednesday’s game was Sophomores 15, Somerville 0, and the lineup was as follows:

1917 Somerville

The Technology Monthly. The lack of competition recently announced by the Huntington preparatory school have or-.

HUNTINGTON TECH CLUB

A number of Institute men who have been my members of the club: J. Fahri, '16; H. O'Brian, '16; P. Claussen, '16; O. M. Newcomb, '16; A. D. Dickson, '17; A. Miller, '18; A. D. Dickson, '18; E. P. Weremutz, '18.

In CHARGE OF THIS ISSUE.

The new Institute Committee made a promising start on its year’s work yesterday. The removal of Tech Night from the control of an irresponsible underclass committee is a step which has been needed for years. The representation of The Technologies Monthly on the Institute Committee is a matter which ought to have been attended to before. The commercial advertising on our bulletin-boards has attracted much criticism. Last not but least, the Track Team deserves all the support that can be given it, and a tug-a-day in a ready and efficient means of raising the required funds. If the Institute Committee keeps up in this steady throughout the year, our “Huntington” will have to go out of business.

An excellent opportunity for the underclassmen who have not yet selected his activity is offered by the competitions recently announced by The Technology Monthly. The lack of men qualified to replace his highest officers when they graduate renders chances of rapid promotion particularly good.

The opportunity to do literary work for this growing activity also deserves attention from any who have ideas to express that direction.

THE TECH SMOKER

The first number of the year for the boys on The Tech will be held this evening. The men are to meet at the lower office at 7:30; all prospective candidates, hecklers, business and news men are invited.

Refreshments will be abundant, and a varied program is promised. The musical numbers will include both vocal and instrumental selections, and Howard Mann, '14, reader for the Glee Club, will take part in the entertainment. Sidney Clark, '15, will provide at the piano.
