SOPHOMORE RELAY TEAM
READY FOR FIELD DAY
Team Well Balanced And Strong
— W. E. Sullivan Chosen
Captain.

The Sophomore relay team is now
complete. K. H. Day won in the com-
petition Monday for twelfth place, leav-
ing the two substitute positions to Brock and Donovan. This com-
pletes the list as follows: Cady, Colley, Day, Dean, Doon, Erb, Mal-
bard, Gardiner, Guilhot, Ross, Ryan,
Sullivan, Donovan and Brock.
W. E. Sullivan has been elected cap-
tain and wishes that all men report
as early as possible for prac-
tice this afternoon, as he would like
that all men report as early as possible for prac-
tice this afternoon, as he would like
to have them get the flag passing
down to perfection.

Coach Kandy predicts that the
race will be exceedingly close. He
considers the project Freshman re-
lay team the strongest of any that
he has coached here, and says that
an error or delay in flag passing
by either team will mean the loss of the
race. Such being the case, 1917 sup-
porters should come out in force on
Friday and see that their team gets
no support.

MECHANICAL ENGINEERS' TRIP NOV. 11 AND 13
Applications Close Saturday For Metz Car Trip To
Waltham.
Applications for the trip of the
Mechanical Engineers to the fac-
tories of the Metz Automobile Com-
pany will be closed Saturday. These
trips will take place November 11th
and 12th. The few tickets left can
be obtained as follows: For the
Wednesday trip, from Back Bay, Kim-
ball and Shed; for the Friday trip
from Futch, Palmer and Norris.
The Tech men will leave Trinity
Place Station at 1.54 and the trip
from Auburndale to Waltham will be
made in trucks furnished by the
Mtas people.

FRESHMAN TUG-OF-WAR
Practice for the team to represent
the Freshman Class in the Tug-of-
War on Field Day is going on daily.
The average weight of the team is
about a hundred and forty-seven
pounds, a little heavier than was at
first expected. The jerseys will be
awarded and the trip from Auburndale to Waltham will be
made in trucks furnished by the
Mtas people.

SHOW BOOKS
Five Librettos Submitted To
Manager Lord.
Five books have been entered in
the competition for this year's Show.
All the material is good and the man-
ageant expects to have difficulty in
selecting the best. The names of the
contestants have not been given out,
but the successful author will be an-
nounced at the Kommer's Dinner.

The Kodak Film Tank
Presents the simplest method of film development.
Negatives have an exceptional
snap and brilliancy, due to their
complete freedom from light and
chemical fog—a quality not possible
by old methods.
There is also the advantage of being able to develop your films at
home—anywhere, without a dark
room.
