To \textit{The Editor of The Tech},

Dear Sir:

\section*{Why not telephone the Union Supply Company?}

I am prepared to do plain laundry work at a reasonable price. I will call for and deliver the work at the cage.

of war, and with it had itself taken the victory of Field Day.

in the first push, which was under the day to be run off, the the sophomores seemed to pull with more spirit but lacked the lacing powers of the standing freshman team. The decision went to the first year men in the time of 2 min. 7 sec. in the second pull, the sophomores did well to hold the freshman to a draw.

in the third trial, the sophomores did something up so they kept their form and, by getting the jump at the run, pulled their opponents off their feet. The time was 1 min. 4 sec. At the deciding attempt, however, the reserve strength of the freshmen told and they gained the decision in 1 min. 56 sec.
