WRESTLING PRACTICE EVERY AFTERNOON

Freshman Squad Must Report Three Times Each Week.

Now that regular Gym work has begun, the members of the Freshman Wrestling Squad are required to put in three hours' practice a week. The afternoons at present arranged for Freshmen practice are Mondays, Wednesdays and Fridays from four to six.

All first year men, who wish to substitute wrestling for Gym, should report immediately to Manager Morse of the team. Freshmen were strapped in on Monday before Field Day in order to make a place on the squad but, as some of the classes are still weak, there may yet be opportunity to substitute "real work." The "Varsity team as yet has no assigned days upon which to work but provision will soon be made for its special practice. Although weakened by the vacancies left by the men who graduated last year, it will also be strengthened by much new material which, while now at the Institute, has had experience before.

At present meets have been made definite with Brown, Amherst, (Continued on Page Three)
