UNIFORMS

The Contractors will have the uniforms for the Technology Regiment ready for delivery at the Armory from 2:30-4:30 o'clock P. M. on Tuesday and Wednesday, Nov. 3rd and 4th. All who have ordered uniforms must be ready to take them at the time specified. The regiment will begin wearing uniforms immediately afterward and those not in uniform will be held responsible unless they can show that failure to provide themselves was unavoidable. Settlement must be made for uniforms at the time they are delivered by the contractors. Checks will be accepted.

NEW ENGLAND MEET

(Continued from Page One)

nine different colleges: Amberast, Brown, Colby, Dartmouth, Maine, M. A. C., Williams, Worcester Tech and Technology, each having runners entered. Holy Cross, Bates, Trinity, Tufts, Vermont and Wesleyan have not entered teams. Each college is allowed to be represented by twenty runners but Dartmouth, Amberast and Technology were the only ones to avail themselves of the opportunity.

The outlook for Technology is unusually promising. The team which showed up so well in the I. G. A. A. A. run last year is scarcely changed, and its qualities were displayed to good advantage in the recent dual meet with Holy Cross. It is apparently the strongest team that will enter the meet, and the men are confident of a victory.

STAGE DIRECTOR

(Continued from Page One)

While the Manager is to be responsible for the business end, White has been chosen for the position largely because of his experience with Technology dramatics, particularly with the Show. He was in the minor cast of "Money in Sight," and last year took the title part in "A Royal Johnnie" as Prince Paul of Vladar, in "Har-ra-logy," which was given in Huntington Hall last year, he was Mrs. Cooper-Cooper. At summer camp he was stage manager of the minstrel show.
