DU PONT TRIALS
WON BY COLLEARY

Keen Competition In All Events
Results In A Fall Record.

The contestants for the du Pont Cup made an exceptionally fine showing this fall. W. E. Colleary, '17, established a new fall record with a total of 256 points. If he is able to keep up his good work next spring, he will probably exceed the record for the year made by Salisbury, '11. Coach Kanaly was well pleased with the result and expressed the wish that the men do as well in the spring. The results of the trials are as follows:

W. E. Colleary, '17: Points
Broad Jump—6 feet, 7 inches. 100
Discus—94 feet, 10 inches. 78
Total. 178

W. E. Sullivan, '17: Points
High Jump—5 feet, 11 1/2 inches 56
Discus—54 feet, 2 inches 90
Total. 146

J. A. Avery, '18: Points

Human nature guarantees a certain amount of success to any tag-day, but it is to be hoped that another force will be prominent on the present occasion,—the patriotism which all Technology students should feel for that which involves the glory of the Institute. Our athletics are now controlled by undergraduates and must also be supported by them if they are to be maintained at all. In the raising of the necessary funds, which promises to present considerable difficulty, the present tag-day is the first step; and every student should not only contribute for his own tag as liberally as he is able, but should also try to induce others to do the like.

The innovation of putting class numbers on the tags seems hardly an improvement, since it will exclude post-graduates and members of the instructing staff, and cause confusion in distributing, as well as loss of sales and waste of tags.

The cancelling of the Cosmopolitan Club Dance will be regretted by all who have enjoyed these occasions in the past. However, since the lack of support was so decided, it was a commendable move on the part of the management to call the affair off rather than to put it through in an unsatisfactory way.
