M. I. T. A. A.
K. Dean Is Elected Treasurer—
The New Office.

At a recent meeting of the M. I. T. Athletic Association, it was decided to
have a treasurer for the organization. This decision was made because in
years previous Major Briggs and the other members of the Advisory
Council had handled all money going to athletics. This year the students
have the authority. It was necessary to have a treasurer for the Athletic
Association, whose duties would take the place of the Advisory Council.
The treasurer receives a budget from
each varsity manager and with the
aid of a committee decides as to the
appropriateness of the distribution of
money. The amount of money need-
ed is requested from the Institute Committee and may be given or re-

K. Dean was elected to the newly
created office, and assumes the duties
at once.

Tuxedo — the Most
Enjoyable and the Most
Healthful Smokes

THE most enjoyable smoke is a
pipe. But many men deny them-
selves this pleasure because they
have had unhappy experiences with
pipe tobaccos.

Likely you have paid 35 cents to
50 cents for a tin of "fancy mix-
ture," and it burned your mouth or
throat, or was unpleasantly strong.
Too bad — but you got the wrong
 tobacco. The hundreds of thou-
sands of men who have tried

Tuxedo
The Perfect Tobacco for Pipe and Cigarette

have found the answer to their
smoke problems. Tuxedo is the
mildest tobacco made. It cannot
bite the tongue or dry the throat.
You can't get any better tobacco
because nothing better grows than
the mellow, perfectly aged Burley
leaf used in Tuxedo.

If you try Tuxedo for a month
and cut out other smokes, you will
not only have had the best month
of smoking you have ever had in
your life, but you will have made a mighty
big saving in your pocket money!
