INTERCLASS MEET
(Continued from Page One)

...come out for practice is eligible to
compete and this ought to be an in-
vitation to those men who never have
come out for the sport to show a lit-
tle interest.
Points will be reckoned by classes.
Owing to the fact that this year the
support of athletics comes from the
students it is urgently requested that
the members come out to this event
and show their presence at least
that they are interested, and
then help to meet expenses.
