American
Clubmen
 Prefer "Ball"
Durham Hand-made Cigarettes

These wealthy men are used to the best of everything, and are good judges of quality. They find the cigarettes they make for themselves, from "Ball" Durham tobacco, have a delightfully fresh, mild, unique fragrance and flavor that afford the greatest enjoyment and satisfaction. At all times it is correct and fashionable to "Roll Your Own."

GENUINE
"BULL" DURHAM
SMOKING TOBACCO

Made from absolutely the finest, choicest, mellow-ripe leaf grown in the famous "bright" tobacco district of Virginia-North Carolina, that supplies the world with cigarette tobacco. Much of the delicate flavor and fragrance of this leaf escapes from the ready-made cigarette. These rare qualities can only be retained in the bulk of tobacco in the "Ball" Durham sack, and enjoyed in the fresh-sold "Ball" Durham cigarette.

MUSICAL CLUBS TRIP
(Continued from Page Two)

"The Mandolin Club proved particularly strong, and in the first number, 'The Crescento' by Odell, showed the results of careful practising. The Glee Club sang the lovely Brahms lullaby with tenderness and expression. They were at their best in the lighthearted and whimsical sort of things as in 'Swing Along' and 'Alexander.' The Banjo Club led in an entertaining bit of dramatic playing when they treated the audience to a realistic Indian war dance.

The solos by H. C. Williamson were varied and well rendered while Mr. Alexander Martin, as reader, surely deserved all the praise and applause that he received. The Hawaiian Quartet proved that they were capable of rendering the sweet, melodic Hawaiian music as well as popular music.

The management on behalf of the men in the clubs wish to express their gratitude and appreciation to all those who in any way helped to make the trip so successful.
