MILITARY HOP WILL BE HELD TONIGHT
All Students May Attend—Members of Freshman Exempt From Wearing Uniforms.

The annual Military Hop conducted by the Officers’ Club of the Technological regiment is to be held tonight in Memorial Hall. This dance, as an event of the spring season, for the benefit of the members of the regiment, but for any student, and a large number of these other students are expected to attend. The matrons are Mrs. Macfarlane, Mrs. Cole, and Mrs. Miller. The grand march will start at eight o’clock and will be led by Colonel Kelleher, followed by Major Tobey. All the members of the regiment are expected to appear in uniform, though this is not required.

INSTITUTE COMMITTEE
Officers’ Club Secures Representation.

The first meeting of the second term was held by the Institute Committee of the Officers’ Club. The reports of the various committees were first heard, and the Point System Committee recommended that H. Dean and P. Duff lower the total of their points. The Budget Committee brought out the necessity of raising money to aid the Tech Meet. As the season progresses the committee will recommend that, if need be, the Tech Meet be held at Cambridge.

ATHLETIC DEPARTMENT
There will be a meeting of all men in the Athletic Department of The Tech today at 1:30 in the lower office. A full attendance is required.

FACULTY NOTICE
Mathematical Laboratory, M 44, will meet on Tuesdays and Fridays at 8 a.m. In Professor of Mathematics. The first exercise will be on Tuesday, Feb. 19th.

APRIL VACATION CHANGED TO SUIT JUNIOR WEEK PROGRAM
Spring Concert and Dance Friday, April 16; Tech Show Saturday; Junior Prom Monday—Freshmen to Attend Prom This Year.

The Junior Prom Committee, consisting of K. M. Sully, chairman; E. Dean, P. H. Duff, J. Evans, O. P. Pyle, and W. Farthing, upon its own initiative decided to obtain the use of the same room at either the Somerset or the Copley Plaza Hotel for Friday evening, April 16th. This is the evening on which the Prom would have ordinarily taken place.

The committee felt that the Prom by reason of precedent and the fact that it is the largest social event of Junior week should terminate the festivities. Hence it was decided that the Prom should be held on Monday evening, April 19th, which is a legal holiday. Accordingly the following members of the Institute are now petitioning the faculty to change the Junior Week vacation from April 16th-19th, inclusive, to April 19th-22nd inclusive. At its last meeting before the Mid-year vacation the Faculty considered the petition and granted the change in vacation, notice of which was given in the Tech of last Wednesday.

This year the Prom will be given at the Copley Plaza Hotel and dinner will be served aboard midnight in the main dining room. All the details have not as yet been arranged but the committee is working out all the arrangements within a few weeks. Programs are to be selected next week from representatives of the publicity department. The publicity department has charge of getting out the program and arranging for the program and for the entertainment. The program and entertainment are to be selected from those submitted for publication in the Tech of last Wednesday.

The Junior Prom Committee has taken this year, over an apparent- ly well established precedent is allowing the freshmen to attend the Prom. Last year the freshmen had a dance of their own given on the same evening as the Prom. In previous years freshmen were allowed to attend the Prom only if the freshman class had made a request and the request was approved. The request must be made in writing and must be signed by all the freshmen. The request must be presented to the President of the Institute, and the request must be approved by the President.

NEW ENGLANDS TO BE HELD AT TECH FIELD
Before This Year The Contests Have Been Held In Cambridge.

At the annual meeting of the N. E. L. C. A. held last Saturday at the Copley Square Hotel, the place for holding the next Track and Field Championships was awarded to M. I. T., to be held on the new Tech Field. The thought of the N. E. L. C. A. has for many years been to try to hold its Championships on the Grounds of one of its own members. Through the inaccessibility of some of the grounds or the great cost of getting to them, this has not been possible the last few years and the Meet had to be held at Cambridge. Therefore, when the M. I. T. A. offered the use of the new Field at the meeting this year, the Meet was given to them without much opposition.

Our Field, except for the slight difficulty in accommodating all the contestants with suitable dressing rooms, is undoubtedly one of the best places in New England to hold such a Meet. At the present moment, there is some doubt as to the condition of the track owing to recent settlements. This difficulty, however, can be readily remedied.

CALENDAR

Friday, Feb. 1, 1915.
