Well, did you miss us last Wednesday? There was so much excitement caused by the doings of the Senior Class Day Committee and the committee thereon that the Niemand zu Haue story had to be ditched.

But we are back strong. And there's some more dope. We have it from an authoritative source that both sides in the above mentioned controversy have decided unanimously for Niemand zu Haue. Both factions are determined to support the Technology wrestling team through the remainder of the year.

With both sides rooting for the success of Niemand zu Haue there is no reason for you to be sitting on the fence. Even if you, like we, are neutral there is still more reason for you to boost this production. We

SHINGLE COMPETITION

W. G. Sprague Wins Prize Offered By The Tech.

At the meeting of the Managing Board of the Tech Tuesday afternoon it was decided to award the $10 dollar prize offered by The Tech for the best shingle submitted before Feb. 23, to Wm. G. Sprague, an architect in the Junior Class. The shingle is remarkable for its originality. It portrays a man operating one of the first forms of printing presses. The style of art is the same employed in the mural decorations on Huntington Hall, which so well represents the spirit of Technology.

TECHNOLOGY DEFEATED BY HARVARD MAT-MEN

A crowd of about three hundred people witnessed the defeat of the Technology wrestling team by Harvard last Wednesday evening. The best of three decisions counted the same number of points; each one. Harvard won the three decisions, while the Technology team obtained two falls. Every bout was very close and the match was in doubt until the last minute.

The first bout was in the 114-pound class between Bob of Tech and Dew. (Continued on Page Three)

RELAY LEAVES TODAY

Varsity Team To Compete At New York Saturday.

The varsity long distance relay which will compete in the indoor intercollegiate meet at Madison Square Garden Saturday night leaves the Black Bay station at 6.05 tonight with Coach Kanaly and Manager Webster in charge. Captain Cook, Brown, Goe-thing and Allan are the men who will make the trip.

According to the time trials the team shows custom basis a fall and balanced, and should compare favorably with any college team in the country. The time trials held at the Princeton oval, but four seconds separated the fastest from the slowest. Either Cook or Brown will be run at anchor. Coach Kanaly not hav- ing yet announced his final decision in this matter.

The 8000-yard race will bring together some of the finest long distance teams which have ever started in a relay race. Cornell will probably enter the race a favorite, with Hoffmire, Puter, Windings and Spe- len, all members of their championship cross-country team. Princeton also will start a team in this race, and has three fast men in Machen- kle, Morrison and Greug Doughtrey. Manager Webster will attend the annual meeting of the I. C. L. A. A. A. at the Hotel Waldorf Astoria on the afternoon before the meet.
