fellow that don't like a fight must hang together.

So bear in mind the date (yes, that small thing heading this column gives the date-can you read it?), save up your pennies, do your lessons in advance, plan to come on March 19 and above all watch The Tech. The Managing Editor tells us that he has so many communications to print that there is no more room for Niemand zu Hause—but we are coming back strong on Monday with the complete program of the events and extraordinary attractions that are to be presented.
