FRESHMEN DEFEAT ALLEN
Freshman Team Goes To Andover Saturday.
Last Tuesday evening the freshmen wrestlers defeated the Allen School Team of Newton by a score of three and one-half to two and one-half. The bouts were very spirited, all but one ending in a fall. Campbell of the Allen School defeated the 125-lb. class throwing Clark, and once threw another wrestler. In an exhibition bout Crowther of the Allen School failed to throw Manager Morse of the Varsity Team. "Jacky" Butler, the Allen coach, and "Bob" Allen also wrestled an exhibition bout.

ARCHITECTURAL AWARDS
Bengtson And Norberg Win Architects' Club Prizes.
The prizes of fifty dollars each, offered annually by the Boston Architects' Club, were won this week by Ludvig T. Bengtson and L. H. Norberg. The prizes are offered annually, one to be awarded to a special student in Course IV, Colonel I, and the other to a fourth year man in the same course. The problem this year was a design for a monument commemorative to an illustrious playwright, to be placed on the exterior of a building. In addition to the prizes, medals were awarded to R. H. Goodell, W. R. Lewis and B. M. Snelling.

CHEMICAL SOCIETY
Professor Moore will speak at the next meeting of the Chemical Society on Tuesday. His subject will be, "The Effect of the European War on American Chemical Industry." Dr. Walker and several other professors have also consented to be present. There will be cigarettes and refreshments and the society hopes that it will prove the best and largest meeting of the year.
