It is always hard for a Junior Prom Committee to shut down on sign-ups when the limiting number has been reached. It seems so hard-hearted to exclude one more man, particularly if he is a personal friend, for fear of overcrowding, that all too often the Committee rules the outcome of the dance by discarding their limitation altogether. We sincerely hope that this year the Committee will make an ironclad stop at the exact number fixed upon, and so run no risk of spoiling the pleasure of many on account of the negligence of a few.

The account of Mayor Curley's speech before the Catholic Club was held over until today's issue, when it could be given space more nearly proportional to its importance.

SOPHOMORE BASEBALL.

All Candidates Must Report At The Field Today.

Owing to the fact that the first game is only two weeks away, it is absolutely necessary that all second year men who are interested in baseball report for practice today, and since there are no dressing room accommodations at the field now used, the players will have to change clothes at the Tech Field, and wait to the playing grounds which are not far away.

Manager Bernard desires that all of last year's players bring new candidates with them, for material so far will not make a creditable show in the freshmen unless more enthusiasm is developed.

will not make a creditable show. Until further notice practice will be held every Monday, Wednesday and Friday on the oval at 4 P. M.

WHAT we'd call "determination" in ourselves, we often mistake for "bull-headedness" in the other fellow. But we don't ever mistake real true genuinity in a man or a tobacco.
