CIVILS TO MEET
Mr. J. W. Rollins Will Give Illustrated Talk.

The Civil Engineering Society is to hold its second annual meeting on Thursday, April 1st, at 4 p.m. The speaker is to be Mr. J. W. Rollins, '78, of the contracting firm of Holbrook, Gabot & Rollins. He will take as his subject "The Relations of Contractors and Engineers" and will also show some excellent lantern slides of difficult foundations. These slides have been shown before the American Society of Civil Engineers and other prominent institutions, and are among the best ever taken. Mr. Rollins is a former president of the Technology Alumni and also of the Boston Society of Civil Engineers. At present he is vice-president of the Boston City Club. Among the notable engineering structures which he has constructed are the Charles River Dam, the Neponset Bridge and many works for the United States government. The meeting is to be held in Room 31, Engineering B.

The Smoke of the Smart Set
is not the ready-made or even ready-made-to-order cigarette. Smart men of fashion everywhere—clubmen, connoisseurs, bon-vivants, millionaires and sportsmen—have discovered the keener enjoyment and greater satisfaction in the fresh cigarettes of unique flavor and delicious mildness they roll for themselves, to suit their individual taste, from mellow "Bull" Durham tobacco. Today it is the very last word in correct form to "Roll Your Own."

"Bull" Durham SMOKING TOBACCO
No other tobacco in the world has the wonderful sweet fragrance and ripe natural mildness of "Bull" Durham. No other cigarettes have the exquisite smoothness and delightful freshness of "Bull" Durham hand-made cigarettes.

"Bull" Durham is a distinctive form of tobacco enjoyment thoroughly appreciated by smokers of experience and discrimination for the supreme, lasting, wholesome pleasure it affords.

FREE An Illustrated Booklet showing correct way to "Roll Your Own" Cigarettes, and a Package of cigarette papers, will be mailed, free, to any address in U. S. on request. Address "Bull" Durham, Durham, N. C. Room, 1600.

WRESTLING MEET
(Continued from Page One)
the Sophomore interest in a satisfactory manner.

In the 135-pound class the freshmen have three men, Clark, McFarland and Sanger, any one of whom is to be depended upon. For the Sophomores, Cochran, captain of the hockey team, will probably wrestle. The Freshmen are strong in the 135-pound class, with Wootten as their best man and Magoun a close second. Against them the Sophomores will put Farnsworth and Slieght in the 145-pound class, the freshmen represented by Pickham and Hall, the Sophomores by Moody and Haslam. In the 158-pound class, the freshmen have a good man in Wirt, formerly of Andover. He will probably meet Mertz of the Sophomore team.

The admission to the meet will be fifteen cents. Tickets can be procured from any member of the wrestling squad or varsity team.
