TRACK TEAM
(Continued from Page Four)

several Hare and Hound runs; Parker, a member of the Sophomore cross-country team, and Ral, a freshman.

In the two-mile Capt. Cook holds the Technology record of 9 minutes, 37 seconds, and if his running this winter can be counted on, it looks as if Atwater’s record of 9 minutes, 35 seconds, is apt to be smashed. Harrington and McVicker are also candidates in the two-mile.

In the hurdles Huff, Foster, Sewall and Kwan are among the most promising material. Huff won third place last year at the New England Championships. Foster has improved since last year and he and Huff should take care of this event for Technology in the Intercollegiates.

In the field events, particularly the weights, the team is weak. In the broad jump there are Colley, the former Holy Cross star, and Read. Two years ago Colley won this event in the Intercollegiates and last year Read scored second place. In the high jump Susan, Tewson and Cobey are all good for 5 feet, 8 inches, but they will have to show a lot of improvement before the big meet. In the shot and hammer there are no likely candidates. Colley is good for at least 100 feet in the discuss and Lawrason is the only good man in the pole vault.

FRESHMEN VICTORIOUS
First Year Men Defeat Sophomores In Listless Game.

The first interclass baseball game of the season was played last Monday afternoon, and the freshmen won in easy fashion by the score of 17 to 5. From the very first inning the Sophomore pitcher, G. W. Henderson, was hit very hard, and together with the dull game that was played, the first year men were never in serious trouble. W. C. Wilson, ‘18, put up a fair exhibition on the mound for the freshmen and with the exception of three home runs, he kept the hits well scattered. R. N. Gay and H. S. Harrington were the second year men, while R. C. Spooner and R. W. Gleason did good work for the freshmen.

TUXEDO in a
Class by Itself

Tuxedo
The Perfect Tobacco for Pipes and Cigarette

This "Tuxedo Process" is the original and best process for removing all irritation from the natural tobacco leaf. This process is a secret, known only to the makers of Tuxedo. To get the best—get Tuxedo.

When you smoke, you smoke to get joy and repose— that comfort, gosh-but-life-is-good feeling. That’s why you’ll like Tuxedo. Tuxedo is all pleasure and a yard wide. Roll those old creamy puffs of Tuxedo, from your pipe or cigarette, around in your mouth! Get that aromatic fragrance! Get that smooth-as-cream tobacco richness! And it’s all so mild and gentle you can smoke Tuxedo all day long if you like.

No other tobacco compares for an instant with Tuxedo. Get some and see for yourself. Tuxedo stands absolutely in a class by itself.
