ELECTION RESULTS ANNOUNCED
AT MASS MEETING TONIGHT

Results of Senior, Junior, and Sophomore Class Officers
Will Remain Secret Until 7.30—All Voting
Must Be Done Today.

Huntington Hall will be the scene
of action tonight when the three upper
class assemblies. Each election
committee is scheduled to commence
the count of votes at 5 o'clock this
afternoon and every member is re-
quired to keep the results a secret.
No elections will become known un-
il after 7.30 tonight at the mass
meeting.

No ballots will be given out to
those who have not paid dues up to
date, but this does not prohibit any
student from paying up at the polls.

E. PLANT INSPECTION
New England Sand And Gravel
Company Visited.

Yesterday forty members of the
Civil Engineering Society made a
complete tour of the New England
Sand and Gravel Company at West
Peabody, Mass. The trip was per-
sonally conducted by Professor C. B.
Brewer of Course I who was consult-
ing engineer when the plant was be-
ing constructed. The plant has just
been finished and is one of the most
modern in the country, having an
output of one thousand tons of sand
and gravel a day.

Members Greet Students Coming
From Other Colleges.

Last evening the Union, the
Walker Club received the men who are entering the Institute this year
from other colleges. The two prin-
cipal speakers of the evening, Dean
Burton and Professor Prescott, pres-
ident of the Technology Club, offered
a hearty welcome to the guests, and
laid great stress upon the fact that
they are just as much a part of the
students body as any of the under-
graduates, and as such they should
enter into all the student activities.
The number entering the Institute
from other colleges is rapidly in-
creasing, and this year there are
over 250 men here who are graduates,
or who have been students else-
where. Until this year, no greeting
has been extended to them, and many
have been led to feel that their place

BOAT CLUB ELECTIONS

A meeting of the Boat Club was
held in the Union Tuesday afternoon
at 4.00 p. m., at which twenty mem-
bers were present. The following
officers were elected for the present
year: M. S. Wellington, treas;
chairman; P. J. Bertelson, '17, vice-
manager; P. M. Diskin, '18, sec-
treasurer; R. F. F. Brooks, '17, assistant
manager.

Indoor work for the crews will be
started soon after mid-years.

E. E. MEETING

Last evening there was a meeting
of the Electrical Engineering Society
in 26 Lowell. Mr. Alexander Menon-
cber, '07, spoke on the "Present Day
Practices in Central Stations," illus-
trating his talk with lantern slides.
Mr. Macomber is connected with the
Charles Tenney Company, contracting
and operating engineers.

Menorah Society
The Menorah Society will hold
their opening meeting Friday, Octo-
ber 25, at 4:15, in Room 11, Engi-
neering B. At this time Mr. Ralph
Newman, former president of the
Harvard Menorah Society, will ex-
plain the purposes of the organiza-
tion. Dean Burton will also be pres-
cent.

CROSS COUNTRY MEET
WITH HARVARD TEAM
To Run Tomorrow
At Belmont—Hare And Hounds Chase
At Hyde Park.

The Cross Country run with Har-
vard will start at 12.30 o'clock to-
morrow from Belmont Center. The
course consists of six and an eighth
miles of fairly hard running. All
Cross Country men are eligible and
Coach Kanaly hopes that all will
start who possibly can. The team
went over the course on Wednesday
in preparation for the meet.

The meeting will be held on Bel-
mont on account of one o'clock classes
should start in the Hare and
Hounds run at Hyde Park, and
should leave the Back Bay station
with the squad at 2.04 o'clock. The
pace for the run will be slow for the
benefit of new men and the course
will be short. This will be the last
time this fall that Coach Kanaly
can go over the course with the
squad and he is desirous of having as
many candidates as possible.

BILOGICAL SOCIETY

Professional Club Organized
Along New Lines.

At the first meeting of the Biologi-
ical Society held a few days ago, the
advisability of organizing a purely
professional club was discussed, and
a committee composed of V. L. El-
llicott, C. W. Lawrence and P. H.
Duff was appointed to draw up a
constitution.

Twenty men were present at the
second meeting yesterday noon and
the proposed constitution was read
and accepted. The definite plans were
made for the future, but it was
decided that the purpose of the so-
ciety would be primarily to promote
good fellowship among its members.
All men taking Courses VII or XI
are eligible and any wishing to join
should see one of the men on the
constitution committee.
