COMMUNICATION

To the Editor of the Tech:

There seems to be a lack of knowledge on the part of a great many freshmen regarding their class dues. Although collectors in all sections have been working from the first of the term, at the present time the percentage of payments in small compared with what it ought to be.

The blank tax does not include dues as many thought and unlike that tax, the payment of class dues is made compulsory as the Institute Committee is able to make sure that the classes of the past have shown. EDWARD P. BROOKS, '17, Temporary Treasurer, 1915.
