Enjoy the Pure Flavor of Your Cigarettes
by rolling your cigarettes with Riz La Croix papers—the universal choice of smokers of experience, convenience and satisfaction.

RIZ LA CROIX
(Pronounced: REE-LAH-KROY)
FAMOUS CIGARETTE PAPERS

Their texture is so pure, light and thin—that their combustion so perfect—that there is not the least trace of paper-taste in the cigarette smoke.

They never burst in rolling and hold perfect shape, because of tenacious strength and natural adhesiveness. Made of the best flax-linen—a pure, vegetable product—they are entirely pure and healthful.
