A New Model Typewriter!

The No. 9 OLIVER BUY IT NOW!

Yes, the crowning typewriter triumph is here

It is just out—and comes years before experts expected it

For makers have arrived a life-time to attain this ideal machine. And Oliver has won again, as we scored when we gave the world the first visible writing.

There is truly no other typewriter on earth like this new Oliver "9." It think of touch so light that the tread of a kitten will run the boys!

CAUTION!

The new-day advances that come alone on this machine are all controlled by Oliver. Even our own previous models—famous in their day—never had the Optional Duplex Shift.

It puts the whole control of 84 letters and characters in the left fingers of the right and left hands. And it lets you write them all in style in any way, the least to operate of any standard typewriter made.

Thus writers of all other machines can immediately run the Oliver "9" with more speed and greater ease.

WARNING!

This brilliant new Oliver comes at the old-time price. It costs no more than lesser makes—now out-of-date when compared with this discovery.

For while the Oliver's splendid new features are osten—very we have equalized the added expense to us by simplifying construction.

Resolve right now to see this great achievement before you spend a dollar for any typewriter. If you are using some other model you will want to see how much more this one does.

If you are using an Oliver it naturally follows that you want the finest model.

17 CENTS A DAY Remember this brand-new Oliver "9" is the greatest value ever given in a typewriter. It has all our previous special investments—visible writing, automatic spacer, 8½-inch touch-plus the Optional Duplex Shift, selective Color Attachment and all other new-day features.

Yet we have decided to sell it to everyone everywhere on our famous payment plan—17 cents a day! Now every user can easily afford to have the world's crack visible writer, with the famous PRINTER™, that writes like print, included FREE if desired.
