THE TECH TEAM

There will be secret practice today in the lower office at 12 o'clock and every man must be present. Those who can will go to the field for practice at 1 o'clock, and the rest follow as soon as their classes are over. Remember every man must make a touchdown, otherwise he will die of thirst, for the "open" season to the keg at one end of the field is a touchdown.

M. E. SOCIETY
(Continued From Page One)

The members of the society will leave the steps of Rogers building at 1:45 o'clock. Those wishing to go should sign up with E. A. Wosnack, '16, W. L. Fylyor, '17; A. P. Dunham, '17, or J. A. Clark, '18.

At the Edison Company's plant there are three twelve-thousand kilowatt General Electric Curtis vertical turbines; three fifteen-thousand kilowatt and two six-thousand kilowatt turbines. The normal output of the plant is sixty-six thousand kilowatts, and the maximum is a hundred and fifteen thousand kilowatts.

At the Elevated plant there are twenty-six hundred horsepower feed boilers of two thousand pounds pressure, equipped with Taylor stokers and forced draft boiler feed. There are also three fifteen-thousand kilowatt General Electric Curtis vertical Direct Current Turbo-Generators and eight turbines with Centrifugal Pumps.

CATHOLIC CLUB DANCE

The Catholic Club dance will be held this evening at eight o'clock in St. Cecilia's Hall, near St. Cecilia's church on Belvidere street. This is the first of a series of informal dances that the club proposes to conduct. Music for the evening will be furnished by Delaney's orchestra.

MUSICAL CLUBS

Tuesday evening, November 29, the Combined Musical Clubs will give a concert at the Dudley Street Baptist Church. This constitutes one of the preliminary entertainments prior to the Winter Concert on December 7. Among the specialties to be given are to be included "Winter Song," sung by the Glee Club; "Benediction," by the Mandolin Club, and "Indian War Dance," introducing an Indian camp-fire scene.

CHEM. SOCIETY TRIP

The second trip to the Watertown arsenal will be held today. The squad will leave Copley Square at 11:45 o'clock. Sign-up must be made before 5:00 o'clock today with R. A. Miller.

Need a good reliable fountain pen? The Tech has a limited number of Moore's Non-leakable pens to sell. Call at The Tech office at 5 in the evening and learn of our mutual benefit scheme of buying suits, shoes and fountain pens.
