FROM PROMINENT SPEAKERS FOR JUNIOR DINNER

Dedication Plans To Be Given Out At Annual Banquet

The annual dinner of the Junior class will be held in the Union tomorrow night.

P. N. Brooks will act as toastmaster and will introduce the speakers of the evening President Davis R. Dewey of the Economic Department, Dean Burton, Mr. I. W. Latchfield, ’95, and Mr. E. H. Horn, ’98, the retiring president of the Alumni Association. These men are to talk on the dedication plans for the new Institute, which will be made public for the first time. The committee has also provided an exceptionally good buffet dinner.

Tickets at seventy-five cents may be obtained at the Cage or from the officers of the class.

LEAVES FOR FRONT

D. M. McRae, ’16, Course III, Johns Canadian Regiment.

Another Technology man has left the Institute for the ranks. D. M. McRae, ’16, has received a commission in a Canadian regiment about to leave for the front. He went to Terence this week without any definite idea as to what command he was to join, and after searching for an opening several days, had about decided to leave for England to enlist there. He was fortunate in meeting Lieutenant-Colonel J. B. McRae, who took him in charge, and succeeded in obtaining a commission for him as second lieutenant, according to report. His regiment is the forty-ninth Canadian Highlanders, and is to leave for the front on January 15. There will probably be a stop-over in England before being sent into the field for active service.

McRae has been in military surroundings all his life. He was under fire in the Philippines with his father, Major General McRae, and was for three years and a half at West Point. He left West Point without graduating, owing to a technicality, and

TECHNIQUE PICTURES

Arrangements have been made for the following Technique group pictures: Thursday, Jan. 6, 1916 Governing Board; Friday, Jan. 7, 1917 Governing Board; Saturday, Jan. 8, 1919 Governing Board; Tuesday, Jan. 11, 1918 Governing Board; Wednesday, Jan. 12, 1918 Football Team. The 1918 and 1919 Governing Board pictures have been interchanged to provide for Sophomores having 1.0 to 2.00 o'clock classes.

RELAY TEAM TRIALS COMING THIS WEEK

Varisty And Freshman Relay Teams Will Be Picked For B. A. A. Annual Games

Time trials are being held this week for the Varsity and freshman relay teams. These trials are preliminary but will have an important bearing on the final selection of the teams.

The B. A. a. annual games will be held on February 5, when the Varsity relay team meets Dartmouth, and the freshman team runs against Holy Cross and Dartmouth, in a triangular relay race. The freshman will run the same distance as the Varsity, each man running 360 yards. Of last year's team, Capt. Guething and Reed remain. Guething is the fastest man and will probably be anchor man this year. Doone, Justhelm and Kwan are very fast on starts and sprints, and are likely candidates for anchor man. Hamilton and Dodge, Varsity cross-country men, are also

MUSICAL CLUBS MID-YEAR TRIP SCHEDULE

Plans Completed For Annual Trip—Leave Sunday Night, January 30 for New York.

Planes have finally been completed for the Annual Mid-year Trip of the Combined Musical Clubs. This year the itinerary of the trip has undergone but few changes since first announced in the fall. The tour will include concerts in Montclair, N. J., Philadelphia, Pa., Schenectady, N. Y., Pittsfield, Mass., Hartford, Conn., and Springfield, Mass., all but Hartford being fixtures. In the latter case there is a possibility of a change to Norwalk, Conn or South Hadley.

The men, forty in number, leave Boston on Sunday night, January 30, going via the Fall River line to New York, where they will spend Monday. Late Monday afternoon the party will leave New York for Montclair where they will open their tour with a concert at the Montclair Club Hall. The men will spend the night with friends and Alumni at Montclair and will set out Tuesday forenoon for Philadelphia.

INDOOR TRACK MEET

Will Take Place In Gymnasium Next Saturday.

The Intercollegiate Track Meet will be held next Saturday at 3:00 o'clock in the Gymnasium. The two mile run and pole vault are to be omitted from the regular events. This will complete the first real competition that the track squad has had this year.

All men who have been working on the squad are required to enter. Harvey S. Benson is offering a cup to the first man placing in the mile run. For the 440 yard run there will take place sometime this week so that the final heat may be run off on Saturday.

CHESS MATCH

This Friday evening the Technology Chess team will meet the Harvard team in the second of their League matches, at Fairhfax Hall, Cambridge. The first League match, played December 18, resulted in a 2-1-2 to 2-1-2 win for Harvard, while Technology reversed the scores in a game played in October. From all indications the teams are more closely matched than they have been in past years.

SENIOR INFORMALS

Senior Informals

Technique calls the attention of the Sophomore to the fact that a large number of men who promised informal negatives for the Portfolio have as yet neglected to bring them in.

ALUMNI BANQUET COMES NEXT SATURDAY

Annual Affair At Copley Plaza—Prominent Men Will Give The Addresses.

On Saturday evening, January 8, the annual banquet of the Alumni will take place at 7:15 o'clock in the Copley Plaza. The committee in charge of the affair is the same one which in past years has managed successful and interesting banquets, consisting of George B. Gildred, ’06, chairman; Harry S. Mose, ’96; Den Galas, ’94; Lawrence Allen, ’97, and Harold E. Keppin, ’12. It is initiated that a very novel entertainment is to be furnished for the occasion.

The list of speakers includes Hon. Samuel W. McCall, Governor of the Commonwealth, President Macaulay, Samuel Insull, president of the Commonwealth Edison Company of Chicago, and Charles A. Towne, the incoming president of the association. Governor McCall, who is ex-officio a member of the Technology Corporation, will take this early occasion to get in touch with the Alumni of the Institute. Mr. Stone, the president-elect, will formally take up the management for the coming year which will be a most important one for all Institute men, as not only will the New Technology be dedicated, but it is also the fiftieth year of the school's existence.

HOCKEY GAME FRIDAY

Dartmouth To Be Played Again At Hanover.

The Technology Hockey Team is scheduled to play Dartmouth at Hanover next Friday night. In view of the improvement shown since the first game with the Green aggregation, Manager Young expects a better showing to be made. The win over Amherst has put more confidence into the players and the regular practice is showing its effects.

The game scheduled with Boston College has been again postponed, but two games will be played with this team later in the season.
