HOCKEY TEAM LOSES
AT WILLIAMSTOWN
First Game After Mid-Year Trip
One-Sided Affair—Results
In 7-2 Score

In the first hockey game after the mid-year trip during vacation, Technology was defeated by Williams. The game was played Saturday at Williamstown and resulted in a one-sided victory for the home team, the score being 7-2. The Williams attack was very speedy, and this, linked with their good team work enabled them to score goals in the first half and three in the second immediately after the first goal. Technology's two goals were scored in the first half, one by Swain and Thomas, each scoring from a scrimmage around the goal. Three freshmen appeared in the Williams lineup for the first time. Those who were Brown, Conklin and Hapac, whose defensive and offensive play greatly helped their team.

The proposed tie to Amherst was abandoned because of poor weather. The team's schedule will end this week as there are only two more games to be played, one with Springfield on Feb. 14, and the last one with Exeter on Feb. 15.

Following is the lineup for Saturday's game:
