THREE ELECTIONS AT M. I. T. A. MEETING
Discussion Of Athletics Control
OCCUPIES BOARD—ALUMNI
May Rule

A meeting of the M. I. T. A. was held yesterday afternoon at which F. O'Hara, '17, was elected
Vice-President of the Association; G. B. Reed, '16, representative to the
Advisory Council, and J. W. Dean, '17, as representative to the Institute
Committee.

Some little discussion took place as to the advisability of abolishing the A. A. A number of the members
of the board spoke on the small value of the work done by the Board. It was
suggested that the complete control of the athletics at the Institute
be placed in the hands of a Graduate Council and Graduate Presi-
dent. This Council would probably consist of three or four graduates
who have shown interest in athletics here, and the managers of the three
most important teams. One of the
most noticeable advantages of such a
board would be that it would be "on
the job" all summer, thus avoiding
the delay now caused by elections.

Blanket Tax Admits To Meet In
Garrison Street Gym
Saturday Night

The Tech wrestling team will meet
Harvard in the Gym next Saturday
at 8.00 o'clock. Both Tech and Har-
vard will present very strong and
much experienced teams. Harvard
has practically the same team as last
year and has entered one meet so
far this year, having lost to Princeton
a short time ago.

However, the Tech men are mostly
veterans as few were lost last June.
They have already competed in three
bouts this year. The meets on the
mid-year trip were lost to Lehigh and
Penn State by the score of twenty-eight
to two while last Saturday they
won from Springfield V. M. C. A.
College at the Gym by the same de-
cisive score. The men entered Sat-
day will be the same as those who
worked last week with the exception
of Rounds, who pulled a tendon in
his boot in the Springfield meet.
Stebbins will replace Rounds if he
can get down to weight.

Admission to the meet is 25 cents
or by Blanket Tax. Ladies are ad-
mitted free of charge.

M. I. T. ORCHESTRA

The M. I. T. Orchestra will re-
side this afternoon at 4.15 o'clock
in Room B instead of the dining
room. Work on the Tech Show
will be held this afternoon.

Most of the members are under
the impression that the affair is to be
held this evening but it was changed
to Thursday evening because of aris-
ing complications.

The M. I. T. Orchestra will re-
