SWIMMING TEAM MEET

Technology Swimmers Meet Harvard Today

This afternoon at 3 o’clock the Technology swimming team will meet Harvard at Cambridge Y. M. C. A. There will be six events including a four man relay. The tank is small so the plungers will be severely handicapped. In the dive Technology’s actresses are Beverly and Wood. Guy and Roland are entered in the 20 yard swim, while Captain Foster and Untersee, two very fast men, will represent M. I. T. In the 100 yard swim, Captain Foster decidedly did the 100 in 50 3-5 sec. the timing being done by Instructor Dean of the Y. M. C. A. Whales, the Brookline plunger and former world’s interscholastic champion in this event, is Technology’s entry for the plunge, but the tank will hinder any good work in this event.

with the man who prides himself on smoking Tuxedo. He knows whereof he speaks when he talks of mildness, fragrance, flavor, sweet comfort and happy days.

Juxedo

The Perfect Tobacco for Pipe and Cigarette

“Tux” has all the sweet, mellow flavor and rich relish you are looking for in a pipe tobacco—and that sound, solid, serene satisfaction that you get only from Burley leaf.

And you can smoke Tuxedo every time you happen to think of it—all day long, if you wish. The “Tuxedo Process” removes all the harshness, all the parch, all the bite—and this original process is used only in Tuxedo.
