President Maclaurin has called a Convocation for Friday at 3 o'clock in Huntington Hall, at which Goldworthy Lowes Dickinson, Fellow of King's College, Cambridge, and son of the late Lowes Dickinson, prominent in the Electrical Engineering and Civil Engineering, will speak on the subject of "Electromagnets."

ARCH. ENG. SOCIETY

Members Endure To Awaken Interest In Society

At an informal meeting held last night, among the members of Course IV, option 2, decided to hold a meeting tomorrow at 8.00 o'clock in Room 12. Further action on the organization of the Architectural Engineering Society was taken. So far this term, the Architectural Engineering Society has been able to put on one successful show. They have now decided to go on with their plans to make it an annual event that may be of interest to society members.

WIRELESS SOCIETY

The first meeting of the second term meeting of the society will be held tomorrow afternoon at 1.45 o'clock in Room 11. The meeting will be attended by several officers, including the President, E. E. Society, and the Treasurer, who has resigned. Following the business meeting, a committee of five members will be elected to carry out the work of the society.

TECH ORCHESTRA

The Tech Orchestra will hold a rehearsal today and tomorrow at 8.00 o'clock in Room B. Every member is expected to attend all rehearsals because special business is to be brought before the meeting. The Tech show is to be practiced, and instruction on the orchestra which is to be taken at a later date will be given.

MILITARY HOP

The Technology Regiment will hold its annual ball, as already announced, in the Hotel Leno, Thursday evening, March 2. The editor of our column, Colonel Collin, will publish the list of officers, and the regiment's officers, including the regiment's staff, will be present.

WANDERING GREEKS

Any member of a fraternity not resident in theExeter area can join the Wandering Greeks. A member must not be affiliated with the local chapter of a fraternity, and must be able to attend all meetings. The group meets on Wednesday nights at 8:00 PM. New members are welcome.

TECHNIQUE PICTURES

The following pictures will be taken this week for Technique: Tuesday, March 26th, 1912 Governing Board Pic, The Exeter Armory; Thursday, March 28th, 1912 Governing Board Pic, The Exeter Armory; Friday, March 29th, 1912 Governing Board Pic, The Exeter Armory.

RIFLE SUPPLIES

Members of the Rifle Club who order new rifles and ammunition from the government may obtain them from the club's secretary, Mr. H. A. Rogers, at the following times: Monday, March 2nd, 1.45 to 2.45 o'clock in the Tech Office.
