**HIGH JUMP TRIALS**

**Squad Of Jumpers Selected For New York Trip**

The last team trials were held yester-

day afternoon in the gym, where a team of high jumpers was picked to make the New York trials. In addi-

tion to the high jump team, which is composed of Sullivan, Doon, Gilmore, and Childs, a squad of sprinters, and a four mile relay team will be sent.

The Harvard athletic management announced this morning in Bos-

ton newspapers that the Crimson would be represented by two relay teams at the Madison Square Gar-

den Games. One team is a short dis-

tance relay, and is entered in the four-fifths mile race. The other team will meet the M. 1. T. runners in a four mile race, in which each man runs twelve laps. The team will be chosen from Captain Croach, Brown, Harran, McCarter, and Halflace.

The intercollegiate trials this year will be one of the largest indoor meets ever held in America, as there are over eight hundred athletes entered, the Cornell and Pennsylvania delega-

tions being especially large. The track management has not yet an-

nounced the definite number of men to be taken, but will do so in Fri-

day's issue of the Tech.
