The following pictures will be taken this week for Technique: Today, 3:35, 1916 Women's Softball Team; Tuesday, 1:10, Gym vampire; Thursday, 4:30, various Team Photographs; and Sunday, 2:45, various Team Photographs. All pictures will be taken in the gymnasium, where the men can make necessary arrangements for their presence.

SENIOR PORTFOLIO

A number of Seniors have failed to reply to the cards sent them by Technique with regard to their portfolio. All Seniors are reminded that cards are due by March 9, and that the portfolio will be taken after this week.

CAPTAIN PING YOK LOO

STARS FOR TECHNOLOGY

Wins Featherweight Title In New England Intercollegiates—Yale Wins Meet

Yale won the first New England intercollegiate featherweight title last Saturday afternoon and evening in the Hemenway Gymnasium at Harvard, scoring a total of 34 points. The Technology and the Springfield M. C. C. College tied for second place, each scoring 15 points. Both Brown and Tufts were unable to win any points.

Yale was able to place six men in the finals, four of whom won their bouts. Technology placed three men, and Tufts, one. The final bouts were won by Yale, 4 to 1, 6 to 2, and 5 to 2, respectively.

Captain Loo was easily the star of the Technology. His opponent was a Tufts man whom he threw in 9 minutes, 17 seconds. His second match was won by a 5 to 1 decision. The boat was very close, and went 2 to 1 in favor of Yale.

C. E. SOCIETY

Comparison Of Harbors The Topic Of Engineer's Talk

At the second meeting of this term, held last Friday afternoon, the C. E. Society was addressed by Mr. W. F. Fitzgerald, well known hydraulic engineer, who is superintendent of the Boston water works.

The speaker, in his topic "Harbors and Harbor Development," said, "It is a national problem, and the demand for improved harbors is increasing with the increase in commerce. The subject is of interest to all students, as it affects the development of industry and the economy of the nation."
