MEXICAN CLIPPINGS AND OTHER COMMENT

The following are a few of the interesting comments and press clippings concerning March 24th, which have come to the attention of the Editor:

"Oklahomus, N. M.—General Francisco Villa is reported to have ordered the Digny Scouts of America positive experience, and at the present time is believed to be heading for Seattle, an important town north of New York. He said that he would not leave the situation in his efforts to reach Boston by March 24th. When asked the reason for his trip he replied, "I wish to get the greatest possible number of the Gringoes all in one, and have a regular long

"Dear Mr. Editor of The Tech.

What is it that they are doing changing Saint Patrick's Day to March 26th. We protest.

Yours for business,

ABRAHAM LEVI.

The following was very kindly turned over to The Tech-ager of one of Boston's gayest theatres.

"Dear Sir:

"Would find enclosed three dollars, for which you will reserve a box for myself and party for March 24th. Very truly yours,

R. E. WALTER.

"P. S.—I have changed my mind as there is to be something big at Technology that night, so you will have to reserve the box. Kindly refund cash.

H. F. D.-"

Crew Practise (Continued from Page One)

Big Reunion week festivities. It is very probable that a Class Day Regatta will be held at this time. The crew men who part in the intramural Clay Bridge Regatta, which will be held sometime in May, there is also a new course at Harvard. Practise will be held at the B. A. A. every day this week at 4:30 o'clock and Saturday at 9:00 o'clock. All the preliminary work will be at the racing machines, but no men on the ice crew. Professor Stevens will have the men out on the river. Professor Hook has joined another crew. All these intra- men to further particulars by calling at the B. A. A. Oel House between 5 and 6 o'clock any day this week.

GEOLOGY PARTY (Continued from Dine One)

given in Dynamic Geology of Ocean, by Geo. G. Gernsback. Lecture states that the course would be of value to the man in business. At 1:30 and 4:30 o'clock, and to every student whose failure work is 7.5 percent of the whole and average 6.5 percent of this structure and geological maps. Thursday, March 24th, the total expense of the trip will be.

The total expense of the trip will be $50.00, and the return, which includes travel out and back. Lecture states that the course would be of value to the man in business.
