COMMUNICATION

be realized when it is understood that the suits, gowns and cloaks made amounted to over sixty garments. For the Easter Vacation will upon application be excused from this number. The plans for the participation of the students in the Tech Show are made and the ships of to include, as the necessary and the plans have been subjected to the preliminary work of the students and the arrangements for the Boat Show are being made under the direction of the University. The shows are narrow and the show line will be ready for the recent photo- graphing of the, and the results of those on the river will be marvelous.

We wish to take this opportunity to thank those who through the interest they showed - have enabled this to be realized. In the past three years, these girls. Most of them were cultivated by these girls. Most of the work was done in the mass, and the result is that the new edition is raised. The plans for the participation of the crew in the June Regatta have been practically completed by Manager Dinkins. He has arranged for the Class Day Regatta to be held during this period, the date to be June 12. The class crew which wins this race will be awarded a cup for that class, while each member of the winning crew will receive a medal.

FENCING TEAM

The Fencing Team has been disbanded for the season. Meets had been arranged with Springfield Y. M. C. A. College and Bowdoin, but both were canceled on account of financial difficulties.

The TECH SHOW, 1916.

FRESHMAN CREW

(Continued from Page One)

will report regularly to learn the game as worked out by Coach Stevenson. Any freshmen who report for crew upon application will be excused from Gym. It is necessary that all crewmen report as soon as possible to cause the preliminary work for the season now under way to be added to the program which was added by Manager Dinkins. He has arranged for the Class Day Regatta to be held during this period, the date to be June 12. The class crew which wins this race will be awarded a cup for that class, while each member of the winning crew will receive a medal.
