**\$1,000**

Must be raised by Technology Undergraduates before the 15th of October. The success of athletics depends absolutely upon your contribution. In past years Technology has been represented in college athletics, meeting the strongest teams in track, hockey, wrestling and swimming. This representation was only made possible by the raising of finances through the efforts of undergraduates, and hearty cooperation of alumni.

THE ENTIRE BURDEN OF FINANCING TECHNOLOGY ATHLETICS NOW FALLS UPON THE STUDENTS

**\$1,000**

Is estimated as the smallest amount necessary by contribution. The failure of the Blanket Tax last year shows the seriousness of our problem. Are we to be represented on the track field, in the hockey rink, on the wrestling mat, or in the swimming tank?

EACH UNDERGRADUATE MUST DECIDE THAT QUESTION

Technology is one of the few colleges which has not self-supporting athletics, or a compulsory athletic tax. How can we finance our teams?

BY YOUR CONTRIBUTION

Secure an athletic button at once. It tells the story and you have done your part.
