"Cy" Guething, Captain of last year's track team and member of the cross-country, is working for the Westinghouse, Church, Keer Company, in New York. As far as is known he has done no running during the past summer. . 11/1/1/

The Columbia and University Pennsylvania hill and dale squads nave been called out, starting practice last Monday. McMichael, member of last year's Penn cross-country and captain this year, and many other veterans have reported. A serious loss, however, will be Colton, Penn's sensational distance man.

The Harvard track squad is only half as large as last year's, numbering | We want your Co-operation and will be glad of your Suggestions 110 versus over 200 last year.

W. H. Brown, '20, Andover track man, is working hard at the hurdles and seems a good prospect for the freshman relay team.

Although the number of freshmen and sophomore candidates for the Field Day relay teams is nearly equal, the freshmen prospects seem always a little ahead of those of the older class.

With the Braves and Brooklyn, playing the World's Series in Boston, managers of the Crimson football team expect a material decrease in the attendance at the big games in the Stadium, We hope that they will not affect the attendance at our field.

Members of the wrestling team are running three times a week now in order to condition themselves for the more stremous indoor work to follow.

A great deal of the work of the cross-country squad has been walking. several of the suburbanites hiking it home from the field in the evening.

NEW HARVARD COURSE.

It was recently announced at Harvard that Venus would form an important part of one of the courses in zoology. Immediately a greatly increased interest in the science was manifested, but this interest waned somewhat when the announcement went on to state that Venus is a form of mussel which will be used in place of the French snail for dissection purposes, as the war has made the latter unobtain-

Ready!—"Roll Your Own!"

A fresh, lively "roll your own" cigarette of "Bull" Durham is as quickening and inspiring as the roll of drums or the "get busy" notes of a bugle call. "Bull" Durham is the smoke of the red-blooded—the bright and breezy smoke that goes with youthful enthusiasm and energy.

GENUINE SMOKING TOBACCO

No other tobacco in the world has the unique, mellow-sweet mildness or the delightful aromatic fragrance of "Bull" Durham. Made of rich, ripe Virginia-North Carolina leaf, "Bull"

Durham has that distinctive, exclusive quality which has made is the favorite smoke of three generations. Only by "rolling your own" with "Bull" Durham can you get
