next general election of the class.
"Article 9—METHOD OF ELECTION OF OFFICERS AFTER THE FRESHMAN YEAR.

"Article 9, Section 1—The President shall appoint an election committee composed of three members of the class before the end of the second week of the school year.

"Article 9, Section 2—Nominations shall be open at the end of the second week and shall close at the end of the third week of the school year.

"Article 9, Section 3—The annual election shall be held on the Friday of the fourth week of the school year. The polls shall be open from 8.00 A. M. to 4.30 P. M. The results of the election shall be announced at a general mass meeting to be held that night.

"Article 9, Section 4—The method of election for the three upper classes shall be as follows: There will be a table for each class with a representative of the Institute Committee in charge. He will have a list of all the members of the class whose election he is conducting. The voter signs his name to the class roll and if his dues are paid in full he is given a ballot with the number stamped in the corner. The number is entered on the class roll opposite his name and he is free to take the ballot and fill it in where and when he chooses. The ballot is returned to the table folded so that only one corner shows. The election officials compare this number with that on the class roll. If the numbers agree, the official marks the man's name as voted and then tears off the number, thus removing any identification marks, and deposits it in the ballot box. If the voter spoils his first ballot, he may return to the election officer and receive a new ballot, the new number being recorded as before. At the close of the elections, the number of votes must agree with the number marked voted.

"Article 9, Section 5—Electioneering at the polls by candidates is prohibited.

"Article 9, Section 6—Where two men are to be chosen, the two candidates receiving the largest number of votes shall be declared elected.

"Article 9, Section 7—In case of a tie vote, the names of the candidates concerned shall be submitted to the class for election.

"Article 9, Section 8—Ballots shall be retained one month subject to a recount, and shall then be destroyed.

"Article 9, Section 9—A demand for a recount must be signed by at least thirty members of the class.

"Article 9, Section 10—The name of no man whose dues are unpaid shall appear on the class ballot."

ANNUAL FALL HANDICAP MEET.

The Annual Fall Handicap Meet will be held Saturday, October 14, at 2.30 o'clock. This Meet is open to all. The Entry Book will be posted in the Field House and entries close Thursday evening, October 12.

INSTITUTE COMMITTEE.

The Institute Committee will meet today in Room 4-108 at 5.00 o'clock.

At the regular meeting of the Executive and Advisory Committees of the Intercollegiate Athletic Association Monday, Alvin Behrer of Princeton, was elected president of the association, filling the vacancy made by the graduation of D. M. Lake, also of Princeton.

It was announced that the 1916 intercollegiate championships, held at the Harvard Stadium last spring, netted a profit of \$4,866.

Tomorrow will be a busy day for track men. With the athletic games for registered amateurs at the Boston Common and the open meet at Lowell, track men will find ample opportunity for competition.

"Johnny" Hayes, winner of the Olympic Marathon at London in 1908, has been appointed coach of the Columbia cross-country team, and took charge of the harriers in the practice run on Riverside Drive last week.

Annable, '20, did a 220 in most excellent time last Monday and if the others out for the freshman relay team can do as well there will be no chance for the Sophomores on the track on Nov. 3. The annual indoor meet of the I. C.

A. A. A. has been scheduled for March 3, 1917. Just where the contests will be held and the advisability of substituting a graduate event for the usual 24 lap relay race will be decided at the meeting to be held at New Haven just before the cross-country run this fall.

Coach Harry Hillman selected the Dartmouth freshman cross-country team last Monday which will run against the Concord High School harriers next Saturday. The men selected were Gorton, Granger, Crathern, McGiffin, Carter, Hayes and Frazier.

Tirrell, '20, has been doing consistent work and is a good prospect for the freshman cross-country team.

"Chuck" Loomis, who just recovered from a recent operation for appendicitis, intends to return to the Institute in a couple of weeks.

Ray Brown, '16, who placed fifth in the Intercollegiate mile run at the Stadium last spring is in Boston again. It is expected that he will drop around to the field before returning to work in Springfield.

"Of Two Evils."

"Dis is painful ter me, mum," said the ragged visitor. "What do you mean?" asked the charitable housewife. "Askin' yer fur a bite to eat." "Then why do you do it?" "Because goin' widout would be a whole lot more painful."—Birmingham Age-Herald.
