forward pass, but failing to kick the goal. It was during this quarter that the dispute took place which caused the teams to pull out. The police were called and after the crowd was dispersed the game continued, the Sophomores being upset to more after the fifty-yard line. The second quarter, September 13, Lynn English 6-3.

The last quarter started with little line rushing for both sides, Lynn making a touchdown, a touch being made ten yards a side with three minutes to play. The Sophomores lined up behind the goal posts, and after playing the kick, which was wild, started for the clubhouse. They were called back by the referee, who gave Lynn another try at the goal, after which play by play the best was made by both sides. The game ended with Lynn leading 6-3. The crowd was small, but enthusiastic.

The umpire of the Sophomore team was as follows:

Right End, Basford; Right Tackle, Green; Right Guard, Brothers; Center, L. Fishbien; Left Guard, O. F. Hathaway; Left Tackle, Bigelow; Left End, Drum; Quarterback, Burns; Fullback, Thomas; Right Halfback, Merril; Left Halfback, Bevery.

BEERMAN FABER GIFT

New Gift of Materials to Freshmen

The Behrman Faber Company of Brooklyn has sent to each of the first-year classes a set of materials for the construction of an electrical circuit. The materials consist of the following:

1. One 1000-volt battery.
2. One 200-volt battery.
3. Two 100-volt batteries.
4. One 50-volt battery.
5. One 25-volt battery.
6. One 10-volt battery.
7. One 5-volt battery.
8. One 2.5-volt battery.
9. One 1.25-volt battery.
10. One 0.625-volt battery.

The materials are to be used for the construction of a simple circuit, consisting of a battery, a lamp, and a switch. The lamp is to be used for the purpose of indicating whether the circuit is closed or open.

The president of the Club, in a speech delivered before the members of the institution, said that the gift was made in the hope that it would stimulate the interest of the members in the electrical sciences and that it would be of great value to them in their studies.

CHIBB MEETING

There will be a meeting of the Club on Thursday, October 13, at 8 p.m. at the Institute. The meeting is open to all members of the Club, and any member who is interested in the electrical sciences is welcome to attend.
