**BANKING AND SAFE DEPOSIT**

The nearest Cambridge bank to the Institute is the Central Trust Company. Its main office is at No. 599 Massachusetts Avenue, exactly at the easterly entrances and exits of the Central Square Station of the Cambridge subway.

The Central Trust Company is not only the oldest bank in Cambridge, the business having been established in 1836—but it also is the largest suburban trust company in Massachusetts. This institution has built up its business and increased its clientele by the high character of the service it renders to the public.

On checking accounts two per cent. interest is allowed. This bank has always paid four per cent. on savings accounts and interest begins on the first day of each month. There is no limit to the amount which may be deposited in the savings department. The safe deposit vault is on the ground floor and the rates are one-half the Boston rentals. This company also has a large foreign exchange business. The members of the Technology faculty who are storing valuable books and manuscripts can have their books and papers much more accessible by having them in the Central Trust Company vaults. The company calls for and delivers storage without charge.

The business hours of the Central Trust Company are very convenient and will meet the requirements of both the members of the faculty and the students of the Institute. The bank's doors are open every day, except Saturday, from eight A. M. to four P. M., and on Saturdays the hours are from eight A. M. to one P. M. and from six to eight in the evening. Saturday evening all departments are open and all lines of the company's business are transacted.

The professors and students of the Institute will find that the Central Trust Company is mindful of their special needs and that it offers them a banking service that is not only highly efficient, but that is also cordial and neighborly.—Adv.

**SHOW COMPETITION**

The first competition for a position on the management of Tech Show 1917 will open Wednesday, October 25, when freshman candidates for the office of Assistant Publicity Manager will meet Manager Caird, '18, at 5.00 o'clock in Room 2-190. It will be necessary for men competing to report at the first meeting as assignments will be given out then. Freshmen wishing to compete for the position, who for some reason may be unable to be present at this time, should leave a note to that effect addressed to the Show, in Superintendent Smith's office, Room 3-005.

Every year about thirty freshmen compete for the position of freshman Assistant Publicity Manager of the Show. The man chosen has an opportunity to become Publicity Manager in his Junior year, and will be one of the four men considered for the General Managership in his fourth year.

Further announcements regarding this competition will be made in coming issues of The Tech.
