TENNIS TEAM DEFEATED

State Champions Play Technology—
Team Does Well

Last Wednesday afternoon the Institute tennis team was defeated by the strong Longwood second team, 7-0, at the Longwood courts. Considering who played for Longwood, it is not surprising that Technology lost every match. For among the Longwood players were two state champions, McEllroy of New York and Ohio, and Wheelwright of New Hampshire. Many of the matches were closer than the scores would indicate, notwithstanding that the team showed a lack of practice. The team did well, and the chances for a successful year seem favorable. Swain, '17, and Collins, '18, played best for the Institute.

Summary of the matches:

McEllroy defeated Swain, '17, 6-2, 6-4, Bretz defeated Kimball, '19, 6-0, 6-3. Cummin defeated Kaler, '18, 6-1, 6-1. Sheafe defeated Collins, '18, 6-2, 6-8, 8-6. Butler defeated Wyer, '18, 6-3, 6-0. Wheelwright and Beals defeated Tutein, '17, and Tutein, '18, 6-2, 6-1. Collister and Page defeated Gokey, '17, and Daube, '19, 6-3, 6-2.

INTER-FRATERNITY RELAY

Delta Kappa Epsilon has issued a challenge for a half-mile relay to any of the other fraternities, the race to be held at some time in the near future which will be suitable to both parties. It is thought that this will probably start a boom in inter-fraternity athletics. At most of the other colleges inter-fraternity athletics have always been well supported, but at Technology, with the exception of the annual inter-fraternity baseball league, there has been no such thing as inter-fraternity sports. Coach Kanaly has expressed himself as in favor of a relay race as proposed by the Deke's and hopes to see some development along these lines. Any fraternity wishing to accept this challenge is asked to communicate with Delta Kappa Epsilon through The Tech.

MANDOLIN CLUB

Work on the Mandolin Club in preparation for the first concert is going well, but more material is needed. The club especially needs guitars, while one or two mandolas are also wanted. Rehearsals are held every Tuesday and Friday afternoon at 4.00 o'clock in the Institute dining room, and as the first concert is on November 7, men who play either guitars or mandolas should report at once.

There will be a second tryout for those men now on the club this afternoon at 4.00 o'clock sharp. This tryout is the first out.

MUSICAL CLUBS COMPETITION

The competition for second assistant managers of the Combined Musical Clubs started last week; but because so few men reported to try out for the position, Manager King-bury has decided to consider any freshman who comes out this week. All first year men interested in this competition should report to one of the managers of the Musical Clubs in their office in Room 1-075. One of the two men chosen will become First Assistant Manager next year and Manager in his Junior year.
