NEW DORMITORY READY FOR OC

At last the long looked for freedom of the Morgue has come. With the first of the month came a notice from the

Dormitory Committee stating that on

Monday, November 6, the new Dormitory would be ready for occupancy af-

ter 2.00 P.M.

All bags of both the men who have been quartered in the temporary structure or dormitories should be or-

dered at once. The dormitory some being larger and some smaller, the Committee suggest that the dormitories be marked as

follows:

Room 3-270.

ROOM 3-270 TO BE READY FOR OCCUPANCY ON NOVEMBER 6.

M. E. SOCIETY.

The Mechanics Engineering Society will hold a number in the Technology

Colloquium next Friday evening. The complete details for the trip to New

London which is to take place this following

day, November 11, will be an-

nounced at the meeting.

The Committee in charge of the trip

will be Albert Corbett, who

takes his name to some effect

of the society or that they may be

sent to the American Society of Me-

canical Engineers, which wishes to

know the approximate number of men

who are planning to go.
