TECH SHOW COMPETITION

Freshman Business Competition Starts Tomorrow

The freshman competition for the three positions of freshman Assistant Business Manager of Tech Show 1917 will start tomorrow afternoon at 5.00 o'clock, when Business Manager Hutchings '18 will meet all first year men interested in Room 1-135.

The men who are selected to act as Assistant Business Managers this year will have a good opportunity to obtain the positions of Sophomore Assistant Managers next year, and then the offices of Treasurer and Business Manager of the 1919 Show. Three men will be selected at the end of the competition and will travel with the Show when it is produced during Junior Week.

The Sophomore competition in the Business Department has already started. The following men have reported to date: H. W. Denison, E. F. Doten, R. S. Everit, F. W. Griebel, W. M. Howlett, F. J. Rasmussen, P. M. Shaw, F. G. Smith, and K. A. Wright. Any Sophomores who have been unable to come out on account of Field Day work may enter the competition now if they so desire.

EXETER CLUB MEETING

On Tuesday, Nov. 7, a meeting of the Exeter Club was held in Room 4-108. A representative number from each class in the Institute attended the meeting and the following men were elected as officers for the ensuing year: President, Hulbrut '17, Vice-President, Rowe '18; Secretary and Treasurer, Nash '20; Executive Committee, Jones '20 and Byron '20. There are about forty Exeter men at the Institute and there is every indication that the club, which has not been active since 1910, will have a prosperous year.

ELECTRICAL SOCIETY MEETING

There will be a meeting of the Electrical Society this evening in Room 2-190 at 7.15 o'clock. Mr. M. W. Alexander of the General Electrical Company, who spoke at Technology last year, will speak on "Hiring and Firing." Post-card notices concerning the meeting have been mailed to all men in Courses VI, VIII, XIV and XV2.

TECH MONTHLY DELAYED

On account of the present condition of the paper market, the management of the Technology Monthly were delayed in getting out the first issue. It will, however, be on sale Thursday morning, November 9, at 9.00 o'clock.

The account of the Chemical Exposition in New York was written by an alumnus instead of by Professor Walker as previously announced.

1919 TUG-O-WAR

Members of the 1919 Tug-O-War team are requested by the manager to bring their red jerseys to the "Caf" at 1.00 o'clock tomorrow, as this will be the only opportunity to have the numbers put on. The date when the jerseys may be called for will be announced in a later issue of The Tech.

STUDENT INJURED

Yesterday William M. Boright '20 was caught between two automobiles on Massachusetts Ave. in front of the Technology Branch of the Harvard Co-operative Society and sustained a broken rib. Boright is from Quebec. He entered the Institute last year, but was forced to leave on account of illness and returned this year as a freshman. This is the second accident which has occurred in front of the Technology Branch within the last six days.

Last Thursday Abraham E. Schlager, of 109 Lever Street, a freshman at the Institute, was hit by a speeding automobile in front of the Technology Co-operative store at 3.00 o'clock. The machine tossed him into the air, but, fortunately, Schlager received no injuries outside of minor bruises. The machine was going at the rate of thirty miles an hour out Massachusetts Avenue when Schlager was hit. It was driven by a young man, whose name and address were taken by a student

CROSS-COUNTRY MEET

There will be a cross-country dual meet with Princeton on Saturday at 11 a. m., over the Franklin Park course. Seven men from each side will compete, and the first five men on each side will score. The squad is in good condition for the meet but is somewhat handicapped by the loss of Caldwell and McMahon. Under the I. C. A. A. ruling, these men must have attended the Institute one year before becoming eligible for competition. They will, however, be eligible for all meets held under the N. E. I. A. A. rulings.

APPLICATIONS FOR ATHLETIC TICKETS

Students in Courses I, II, III, VI and XI who may apply for tickets of the Harvard Athletic Association, are reminded that they must present their application in person to the office of the treasurer, and present at the same time a card of identification.

These may be obtained by making application at the Information office, Room 10-100.

WALTER HUMPHREYS,
Registrar.

ENGINEER CORPS

There will be a meeting of the men interested in the development of the Engineer Corps tomorrow at 4 o'clock in Room 3-370. At this meeting Major Cole and Captain Downing will outline the work and give an account of the progress to date. They will answer any questions that the men may have in regard to the organization, including all requirements and obligations entailed. Major Cole urgently requests that all men who have signed up, as well as any others who may be interested, be present.

TRACK MEN MUST TRAIN

Coach Kanaly wishes to impress all track men with the need of keeping in condition. Since Field Day many of the candidates have broken training, thinking it no longer necessary. The track season lasts all winter, however, and several indoor meets will be arranged. All those who wish to continue trying for the track team should hand in their names to the coach, who will be glad to have any new candidates, particularly from the other Field Day teams.

TECHNIQUE ART WORK

Freshmen and Sophomores interested in doing art work for Technique 1918 will meet Grunsfield, '18, Assistant Art Editor, in the Technique Office in Room 1-073 at 1.00 o'clock tomorrow. Doing art work for this year's Technique is not limited to members of the Junior class alone, but anybody in the Institute may submit drawings, which may be selected if of sufficient merit.

FRESHMEN NOMINATIONS

All freshman nomination papers must be handed in at the Caf before 5.00 o'clock on Thursday, Nov. 9.

FURNISHINGS AND HATS

The Clubby Smoke—"Bull" Durham

You start something lively when you produce "Bull" Durham in a crowd of live-wires and start "rolling your own". That fresh, mellow-sweet fragrance of "Bull" Durham makes everyone reach for "the makings". A hand-rolled "Bull" Durham cigarette brims over with zest and snap and the sparkle of sprightly spirits.

GENUINE
"BULL" DURHAM
SMOKING TOBACCO

Made of rich, ripe Virginia-North Carolina leaf, "Bull" Durham is the mildest, most enjoyable tobacco in the world.

No other cigarette can be so full of life and youthful vigor as a fresh-rolled cigarette of "Bull" Durham.

"Roll your own" with "Bull" Durham and you'll discover a new joy in smoking.

FREE An illustrated booklet, showing correct way to "Roll Your Own" Cigarettes, and a package of cigarette papers, will both be mailed, free, to any address in U. S. on request. Address "Bull" Durham, Durham, N. C.
