STUDENT INJURED

Yesterday William M. Berlitz ’20 was operated on for appendicitis at Massachusetts Mem. in front of the Technology Branch of the Harvard Co- operative Society and sustained a broken rib. Berlitz is from Quebec. He entered the Institute last year, but was forced to have an operation of illness and returned this year as a freshman. This is the second accident which has occurred in front of the Technology Branch within the last six days.

Last Thursday Abraham E. Shlaeger, of 106 Waverly St., a freshman at the Institute, was hit by a speeding automobile in front of the Technology Cooperative store at 3:00 o’clock. The line just timed him into the all, but, fortunately, Shlaeger received no injuries outside of minor bruises.

The accident was going at the rate of thirty miles an hour on Massachusetts Avenue when Shlaeger was hit. It was driven by a young man, whose name and address were taken by a student.
