D. BREWER EDDY TO SPEAK

Will Address Student Body on "Fire Protection and Safety"

Dean Barton will preside at the meeting of the T. C. A. in Room 10-206 on Monday, Dec. 14, at 8:00 P.M. Dean Barton will be addressed by Dr. Brewer Eddy, who will speak on "Fire Protection and Safety."

Dr. Eddy has long been interested in the subject of fire protection and has written extensively on the topic. He is a member of the American Society of Safety Engineers and has been involved in the development of fire safety standards for many years.

Dr. Eddy will discuss the importance of fire protection and the role it plays in modern society. He will also share his insights on the latest developments in fire safety technology and strategies for preventing fires.

The meeting is open to all students, faculty, and staff. It is a great opportunity to learn about this important topic and to engage in a thought-provoking discussion.

SWIMMING TEAM CUT

Prospects for a successful season of the swimming team are better this season than ever before. Although the financial state of the Institute is not as good as it was a year ago, the Executive Committee has been able to provide funds for the purchase of new equipment and the hiring of new coaches.

The team has been picked from a large field of candidates, and the prospects for success are excellent. The team will be under the direction of Coach Johnson, who has been a member of the team for three years. Coach Johnson is a former Olympian and has won many championships.

The team will practice three times a week, and will compete in local and national meets. The team has received a number of invitations to attend meets, and will be active throughout the year.

FRESHMAN WRESTLING

The freshman wrestling squad is growing rapidly, and is expected to be one of the strongest teams in the conference. The team has received many invitations to attend meets, and will be active throughout the year.
