O NCE again the insipid and childish practice of property mul-
terrance comes to notice and is serious enough for con-
cernted preventative action on the part of the student body.
The grooved chair-arms, the splintered walls, and the "grooved"
chair-arms of the former buildings gave vivid examples of the extent
to which the irresponsibility was carried. And the degraded youth
of the Institute Committee to provide a writing tablet attached
with the built-in telephone booths are to be decorated with petty
verses and eodge-podge scribbling, seemingly it would be possible
for the Institute to provide a writing tablet attached
with the built-in telephone booths are to be decorated with petty
verses and eodge-podge scribbling, seemingly it would be possible
for the Institute Committee to provide a writing tablet attached
with the built-in telephone booths are to be decorated with petty
verses and eodge-podge scribbling, seemingly it would be possible
for the Institute Committee to provide a writing tablet attached
with the built-in telephone booths are to be decorated with petty
