**17 Perfect Degrees**  
from 6B Softest  
to 9H Hardest  
and hard and  
medium copying

LIKE a soft-leaded easy marking pencil? Take the higher numbered B's such as 3B, 4B, 5B. For the extreme limit of softness 6B is without an equal and is used by many as being the ideal of all pencils. Medium degree is HB. H's are the harder grades, 2H or 3H being medium hard, and 6H, etc., being used for thin, clear, fine lines of detailings. Your professors will confirm these statements as to the merits of VENUS pencils. Note the distinctive VENUS water mark finish when you buy.

is beautifully smooth and even in texture. It rubs out pencil marks perfectly. Gray, and does not cause discoloration. 12 sizes from 100 to a box to 4 to a box. Box price \$2.00. Venus Erasers are the best erasers. Ask for them by name.
