**CREW STARTS TODAY**

(Continued from page 1)

The practice during the next few weeks will be voluntary for all of the members, but the coach requests that all of the members get in a few weeks work on the machines two or three days a week. A member of the executive committee of the varsity crew will make arrangements for the members at any hour. Those who wish to be eligible for the varsity crew will have to register as members of the varsity crew by Friday, April 5. The coach desires to have the crew lined up to the Newell boat house immediately on the resumption of classes. The same conditions as in the case of the varsity crew are expected to report at the resumption of practice in the fall, in order that the members may get their names on the register when the new members arrive.

The all-star meeting of members of the varsity crew will be held immediately after the mid-year vacation.

**ALUMNI BANQUET**

(Continued from page 3)

The members of the varsity crew who have been very successful will be invited to the alumni banquet.
