REGULAR ARMY EXAMINATIONS
TO BE HELD JANUARY 19
Applications Due January 15 in Washington
Competitive examinations for commissions as Second Lieutenants in the Regular Army of the United States will be held January 29. All applications to take these examinations must be in the hands of Adjutant General F. H. Mc Culloch, War Department, Wash-ington, on January 15.

In calling attention to these ap-
plications, examinations in last Wed-
nesday’s issue of The Tech, it was in-
structively stated that they were for
commissions and not for medical
officers. These examinations will be
held at the various arsenals in North
America, and those desiring to en-
roll for any of them must forward a
written application to

President Hart Talks Millions
In accepting the presidency of the Amer-
can Association, President R. Hart
90, who is also Treasurer of the
association, gave some interesting figures con-
ected with Technology since Doc-
tor MacArthur’s appointment in 1898.
He said that at this date Tech-
ology had a half million students and the
familiar bricks and mortar of Bay state
ted that now there are $7,548,000 and
buildings worth a little over seven mil-

Price has recently returned from the
building, worth a little over seven mil-
