TECHNICAL COMMITTEE MEETING

There will be a meeting of the Technical Committee on Friday afternoon at 3:30 in Room 1-231.

C. C. A. BOOK EXCHANGE OPENS TODAY

The T. C. A. Book Exchange will be able to supply texts to men desiring to fix up second-hand books, from them today. A great demand for text books was expected and selling to sell their old books may have them at the T. C. A. office. A charge of five cents will be made on every book sold to cover the cost expenses.

Report Discussed at Last Institute Committee Meeting—Suggests Annual Fee to be Added to Tuition—Budget to Support All Activities

CORPORATION PETITIONED TO ACT ON MATTER

At the meeting held Jan. 11, the Ways and Means Committee reported an amendment to the petition of the Corporation to the matter of the Institute Committee session.

- The amended corporation petition was debated in some measure and action on the part of the Institute Committee was delayed in a meeting of the Corporation.

The Institute Committee, Mass. Inst.

The Technology committee on ways and means is debating the budget and the undergraduates association dues have made an exhaustive study of the future needs of the corporation and it is expected that the following result will be reached:

- The percentage of the expenses of the association which are not covered by the payment of annual dues of six dollars twenty-five cents will be covered by the payment of an additional fifty cents per year.

This is a significant decision on the part of the corporation and it is expected that the budget will be considered at the next meeting of the corporation.

An attempt is made to keep the corporation in proper shape and to maintain the old price by increasing the tuition cost.

The Progress of the campaign will be announced from time to time.
